In view of the above and attached scrutiny form, the Medical Assessment and Rating Board (MARB) has decided to issue **LETTER OF PERMISSION** for your application for the academic year **2024-25**, as per sec 28(3) of the NMC Act, 2019.

Approved for 10 (10 to 20) Seats.

MS - General Surgery

The permission for starting of new course in **MS - General Surgery** and admission of students will be for such time that the first batch of students admitted against the above course appears for the final examination in the subject. The college authorities may take up the matter for recognition of qualification under section 35(2) of NMC act, 2019 with National Medical Commission (NMC), at the time of examination of the first batch of students admitted against sanctioned seats.

It is to inform you that your institution is fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty, clinical material and stipend to PG students similar to PG students of government colleges in the state etc. throughout the academic year, as stipulated in regulation of National Medical Commission (NMC).

In case of false/wrong declaration or fabricated documents have been used for procuring permissions of MARB and any misconduct is brought to the notice of National Medical Commission (NMC) or found during surprise assessment at any stage during the current academic year, your institution is liable, not to be considered for recognition of that degree. This letter of permission will be revoked for the current academic year if such exigency arises.

Besides, National Medical Commission (NMC) is entitled to take all such measure against you and your college/institution as permissible under the law.

It is mandatory by government medical colleges to contribute **15%** MBBS seats and **50%** of post graduate broad specialties (MD/MS) for All India Quota respectively, to MCC of DGHS for conduction of counseling as per the directions of hon'ble supreme court.

It is mandatory to develop a website of medical college/institution and display all the information of college, courses offered faculty available and their experience of last 5 years, students joined, and affiliating university .to display the hospital services, facilities available and the equipment's in each speciality, also showing OP and IP census including births and deaths as per the municipal/Government records.

Kindly acknowledge this letter.
